RE: Letter of recommendation for Manuel Guisado

Date: 26/01/26

To Whom It May Concern,

This is to confirm that Manuel Guisado was employed with us as a Kitchen Porter from 13/08/25 to 22/12/25.

During this period, he proved to be an exceptionally reliable and skilled member of our kitchen team. Manuel consistently demonstrated excellent team work, attention to detail and ability to work on his own incentive.

Manuel was always punctual, professional, and worked well under pressure, maintaining a positive attitude even during our busiest times.

We were very pleased with his performance and would highly recommend him for any future role in a professional kitchen.

Please feel free to contact me if you require any further information.

Kind regards,

Caroline Doherty
